WINEMAKING

Nestled between two mountain ranges, the Napa Valley offers diverse microclimates and soils that are uniquely suited to growing powerful yet elegant Cabernet Sauvignon. Home to historic vineyards, the Rutherford AVA is famous for its deep alluvial fans that produce rich and compelling Cabernet Sauvignon. This wine is grown in well-drained, gravelly soils along the Silverado Trail in the southern part of the AVA.

The 2019 growing season was characterized by a long, warm summer and mild finish to the season. The beginning of the 2019 growing season was defined by copious rainfall and late soil moisture. The long, warm summer saw very few extreme heat events, with foggy mornings setting the stage for vibrant and expressive wines. The long, relatively mild finish to the season, not without its moments of unpredictability, helped to preserve freshness and finesse in the fruit with abundant hang time teasing out great color, structure and soft tannins. All in all, exceptional wines with bright acidity and ample texture.

At Bread & Butter, we believe good things in life shouldn't be complicated. Good things should just be, well, good. And honest. And uncomplicated. Because when we second-guess, overthink, and decide that every, little thing is so important... We're ignoring what really matters. The good. The honest. And the uncomplicated. Which is why our Veteran Award-Winning Winemaker Linda Trotta makes thoughtful wines, that don't require any extra thought to enjoy. And those thoughtful wines? We have a carefree space where you can enjoy them. A tasting room dedicated to enjoying simple pleasures in a space that's comfortable, homey and authentic. Because we believe wine shouldn't add to the stress of everyday, in fact, it should do just the opposite. A great bottle should give you the opportunity to take a breath, let your shoulders drop, and stop overthinking. Go ahead, take a sip. And don't overthink it.
